DEAR FAMILIES,

Happy September! We are excited to welcome the fall season and another month of learning, growing, and exploring. The children have been settling into their routines, making friends, and enjoying new experiences. This month, we will explore **Fall/Autumn, Five Senses, and Fire Safety** through fun, hands-on activities.

Celebrating "All About Me"

Our children recently completed our **"All About Me"** theme! They enjoyed talking about themselves, their families, feelings, likes, and dislikes while learning what makes each of us special. It was wonderful to see their confidence grow as they shared and learned about their friends.

Fall Picture Day

We had a wonderful **Fall Picture Day on August 26, 2026!** The children enjoyed dressing up, smiling at the camera, and creating special memories for their families. Thank you for helping make this day so special!

SEPTEMBER THEMES & ACTIVITIES

This month, our children will enjoy:

- Exploring fall colors, leaves, weather, and seasonal changes
- Learning about our **five senses** through fun sensory activities
- Learning important **fire safety** skills, including "Stop, Drop, and Roll"
- Stories, songs, music, movement, and hands-on learning
- Fall-themed arts and crafts
- Continued development of early literacy, math, language, fine motor, and social-emotional skills
